Cradle Roll Department.

Dear Friend:

There is now in the Primary Department a Cradle Roll of the Sunday School, where we wish to enroll the names of the babies and other children yet too young to be present at the regular session, hoping thus to establish relations that will entitle these little ones to the same privileges as those who attend. May we not claim your little one as a member whom we may expect as an occasional visitor and for whom we shall pray? We shall also remember the birthdays. Kindly fill out the blanks on opposite side of this card and when returned a certificate of membership will be given.
